Your Honor:

This office represents Defendant Domagoj Patkovic. I write to respectfully request a 30day adjournment of the status conference currently scheduled for January 14, 2025, at 11:30 a.m. The parties anticipate that this case will be resolved short of trial, and are now discussing the final details of that resolution. An adjournment would further this effort.

The government does not object to this application, and the defense would not object to a corresponding exclusion of Speedy Trial time in light of the ongoing plea negotiations.

Respectfully submitted,

/s James Darrow
